 weight
1.00 Lbs

 market
USA, Rest of
World, Europe

 UPC/EAN
00635510693529

The NAV-TV MOST-AUX for JAG is a M.O.S.T. fiber optic interface that introduces audio into select fiber-equipped Jaguar vehicles with no degradation in sound quality. AUX audio is triggered with an external toggle switch (not included). Unlike cheap FM-based modules that transmit sound via an FM station, the MOST-AUX interfaces directly into the OEM fiber system and is designed to work specifically with a compatible Jaguar vehicle.

Car Radio Versions

M.O.S.T. equipped system
