

VSW-R

Price: **\$105.00**

 manufacturer
NAV-TV

 ID SKU NTV-KIT492

 weight
1.00 Lbs

 market
USA, Rest of
World, Europe

 UPC/EAN
00616909358571

The VSW-R, typically combined with a vehicle-specific NAV-TV integration module, allows the introduction of up to 3 different aftermarket cameras or other composite video sources into an aftermarket radio or the factory LCD screen. This module functions exactly the same way as the standard [VSW](#), except that it uses RCAs instead of wires.
