The DR590W-2CH continues to bring everything that made the DR590-2CH popular while adding in Smartphone-Dash Cam WiFi connectivity. The latest of BlackVue's affordable line of Dash Cams continue to use a Sony STARVIS sensor which means the videos recorded have enhance night time clarity. It's one of the most simple and discreet dash cams on the market as the compact size and matte black body blend in easily with any car interior. This model is parking-mode ready and capable of pre-buffered parking recording when paired with an appropriate hardwire kit or battery pack. Experience full protection for your vehicle when driving or parked and ease of use thanks to the built-in Wi-Fi and free BlackVue App.

**Note:** GPS is not included with this camera, but is available by adding an external GPS antenna.

**Car Radio Versions**

Any
